ProPanel 8 with Shelf

1902121

Product Description

The NOBO ProPanel is a versatile, lightweight, portable display system. This high quality, sturdy system is ideal for exhibitions and permanent displays. Panels are fixed together permanently by a unique hinge mechanism to enable simple and fast assembly. The large aluminium framed panels have Velcro friendly nylon loop fabric on one side, for quick and easy displaying and are plain white on the other, for more permanent mounted graphics. The NOBO ProPanel display system is supplied with a strong padded carry bag for maximum display protection and castors for easy transportation.

Features

- Larger displays may require two people to set up
- Supplied with its own carry bag with castors
- Dual surface panels are Velcro compatible on one side and suitable for dry-mounting on the other side
- Flame Retardant to BS 5867.2
- Display dimensions: 2050x2920x30mm
- Portable display system that’s simple and fast to assemble
